## 1. INTRODUCTION

- 1.1 This document provides a guide to North Somerset District Council's (**Applicant**) Development Consent Order (**DCO**) application for the Portishead Branch Line (MetroWest Phase 1) (**DCO Scheme**).
- 1.2 This is a live document. The master documents list (Schedule 1) will be updated when updates or revisions to existing documents are made and new documents are submitted to the Planning Inspectorate. Updates will specify which version of the relevant listed document is the most up to date.

## 2. MASTER DOCUMENTS LIST

- 2.1 The master documents list is set out Schedule 1. It will:
- 2.1.1 provide a full list of all the documents that have been submitted to date;
  - 2.1.2 state which is the latest revision of a document (if applicable); and
  - 2.1.3 indicate when a new document was submitted.
- 2.2 For ease of navigation these documents are grouped by parts as follows:

**Table 1: Document grouping**

Part	Details
1. Application Form	Provides the details of the specific application information required by the Planning Inspectorate.
2. Plans, Drawings and Sections	Contains the plans which show the location of the DCO Scheme and the works proposed. This section includes the drawings and sections required by the Infrastructure Planning (Applications: Prescribed Forms and Procedure) Regulations 2009 ( <b>APFP Regulations</b> ) regulations 5 and 6. This section is broken down into the following categories: <ul style="list-style-type: none"><li>• General Project Plans</li><li>• Railway Alignment, Design and Engineering Plans</li><li>• Access, Highways and Traffic Plans</li><li>• Environmental Plans</li></ul>

Part	Details
3. Development Consent Order	Outlines the legal powers sought by the Applicant to construct, operate and maintain the DCO Scheme.
4. Compulsory Acquisition Information	Provides details of the powers of compulsory acquisition that are sought.
5. Reports/Statements	Contains documents required to be submitted with the DCO application.
6. Environmental Impact Assessment	<p>Contains the Environmental Statement (<b>ES</b>) information showing how the Applicant has assessed the potential impact on the environment.</p> <p>The ES is set out over 4 volumes:</p> <ul style="list-style-type: none"> <li>• Volume 1 contains the Non-Technical Summary (document reference no. 6.2) and the Table of Contents (DCO Document Reference 6.3);</li> <li>• Volume 2 is the main report for the ES (DCO Documents 6.4 to 6.23);</li> <li>• Volume 3 of the Environmental Statement is the Book of Figures (DCO Document Reference 6.24).</li> <li>• Volume 4 is the Technical Appendices (Document Reference 6.25).</li> </ul>
7. Council Resolution	Provides copies of the council resolutions authorising the submission of the DCO application.
8. Other Documents	Includes additional documents produced in support of the DCO application.
9. Examination Submission [to follow]	A placeholder for new documents submitted to the Planning Inspectorate during the course of the examination.

2.3 The table attached at Schedule 1 is the **Master Documents List**. It identifies the documents produced for submission. The Master Documents List is a live document and will be updated when revisions to existing documents are made or new documents are submitted to the Planning Inspectorate. The Master

Document List identifies the part, title, submission date and version of the document.

- 2.4 Some documents are duplicated within the Master Document List. The purpose of this duplication is to allow the Planning Inspectorate and members of the public to find key documents that are likely to be updated during examination or that are referred to a number of times.
- 2.5 The version of the document contained within the ES will not be updated during examination and will be endorsed to show that it is a record of the document at the time of submission. The separately numbered document will also be endorsed, so that it is clear it is the latest version, should any updates be made during examination.

### 3. APFP REGULATION CHECKLIST

- 3.1 The table below provides the Applicant's checklist for compliance with The Infrastructure Planning (Applications: Prescribed Forms and Procedure) Regulations 2009 (2009 SI No. 2264) (**APFP**).
